As states and other governmental authorities lift the restrictions imposed as a result of the COVID-19 pandemic, businesses are starting to prepare for reopening. The decision to reopen is a complex issue. We cannot advise you whether you should or should not reopen your business. If you decide to do so, we have generated this information for your review and consideration. It includes some high-level ideas that you may want to consider as you move through the process, and may not take into account all of the unique and specific issues that may be involved in opening your business. If you have questions about this information or your insurance coverages, please contact your Gallagher representative.
